About the NZ Air Maestro User Conference

Please join us in **August 2022** for the 2nd NZ Air Maestro User Conference – a two-day event held in Wellington where we provide an opportunity for users to help shape the future direction of our Air Maestro software in a relaxed and supportive environment.

The Air Maestro User Conference was established as a direct result of customer feedback and will feature Air Maestro training/tutorials, presentations by industry leaders and interactive sessions with attendees during the course of the event. We aim to improve your experience as an Air Maestro user and we welcome queries, inputs and suggestions regarding future developments.
